

§ 163A-1351. Prohibition of nonessential requirements.

(a) If a voter's mistake or omission in the completion of a document under this Part does not prevent determining whether a covered voter is eligible to vote, the mistake or omission does not invalidate the document. Failure to satisfy a nonessential requirement, such as using paper or envelopes of a specified size or weight, does not invalidate a document submitted under this Part. In any write-in ballot authorized by this Part or in any vote for a write-in candidate on a regular ballot, if the intention of the voter is discernable under this State's uniform definition of what constitutes a vote, as required by the Help America Vote Act, 42 U.S.C. § 15481(a)(6), an abbreviation, misspelling, or other minor variation in the form of the name of a candidate or a political party shall be accepted as a valid vote.

(b) An authentication, other than the declaration specified in G.S. 163A-1347 or the declaration on the federal postcard application and federal write-in absentee ballot, is not required for execution of a document under this Part. The declaration and any information in the declaration may be compared against information on file to ascertain the validity of the document. (2011-182, s. 1; 2017-6, s. 3.)
